## Committee Member Biography The President's National Security Telecommunications Advisory Committee

**David DeWalt**  
**Member of the Board of Directors**  
**McAfee, Inc**

Mr. David DeWalt is a member of the McAfee board of directors. He served as the company's president from 2007 to 2011. He has more than 25 years of experience building innovative, industry-leading technology companies.

Prior to joining McAfee, Mr. DeWalt was president of software, sales, and services at EMC Corp. from 2003 to 2007. Before that, he was president and chief executive officer (CEO) of Documentum and held executive-level positions at Eventus Software, Quest Software, Segue Software, and Oracle Corp.

Mr. DeWalt is currently the chairman of the board of Polycom, Inc., and Mandiant Corp. In addition, he currently serves on the board of directors at Delta Air Lines and Jive Software. Mr. DeWalt has spoken at the World Economic Forum, participated in panel discussions alongside world leaders, and served as an advisor to the National Security Agency and the Central Intelligence Agency. In 2009, he was named one of the top five CEOs of publicly traded software companies by *Institutional Investor* magazine and one of the 25 most influential executives in the technology industry by readers of *CRN* magazine.

Mr. DeWalt received his bachelor's degree in computer science and electrical engineering from the University of Delaware.
